Career Objective

Results-driven QA Engineer with hands-on experience in manual testing, API automation, and web automation. Completed an intensive QA Engineering Bootcamp at Astha IT covering the full QA stack — functional testing to Selenium-based UI automation and JMeter performance testing. Seeking a Junior QA Engineer role to contribute to software quality and support reliable product delivery.

Technical Skills

- **Testing:** Functional, Regression, Smoke, Sanity, Exploratory, API Testing
- **Automation:** Selenium WebDriver, Pytest, Requests, Postman, Newman
- **Programming:** Python, JavaScript, C, C++
- **Database:** SQL, MySQL
- **Tools:** Jira, Git, GitHub, Chrome DevTools, JMeter
- **Concepts:** SDLC, STLC, Agile/Scrum, REST API, JSON

Experience

Business Automation Ltd.

Software Development & QA Intern

Dhaka, Bangladesh
Jul 2024 – Sep 2024

- Prepared SRS documents and created test scenarios from requirements.
- Performed API, functional, and regression testing using Postman and manual testing techniques.
- Reported, tracked, and verified defects through retesting and developer collaboration.
- Worked with Git/GitHub and participated in Agile sprint activities.

Projects

Web Automation – Student Management System | *Python, Selenium, Pytest, Allure, Faker* 2026

- Built a POM-based UI automation framework covering authentication, filtering, and complete Student CRUD operations.
- Automated 13 test cases with dynamic Faker data generation, Pytest teardown fixtures, and dual HTML/Allure reports.

Teacher API Automation Framework | *Python, Pytest, Requests, Allure* 2026

- Developed a REST API automation framework for Teacher CRUD operations with token auth and dynamic environments.
- Automated 19 test cases featuring response schema validation, edge-case coverage, and Allure reporting.

Teacher API Testing – Postman Collection | *Postman, Newman, JavaScript* 2026

- Created a Postman collection for 20+ scenarios using JavaScript for token extraction and schema validation.
- Executed via Newman CLI and generated detailed htmlextra dashboards for stakeholder review.

Education

Noakhali Science and Technology University

B.Sc. in Information & Communication Engineering (CGPA: 3.11)

Noakhali, Bangladesh
2020 – 2025

Higher Secondary Certificate (HSC) | Bogura Govt. College (GPA: 5.00/5.00)

2019

Secondary School Certificate (SSC) | Kocha Sahar BL High School (GPA: 5.00/5.00)

2017

Training & Certifications

- **QA Engineering Bootcamp** – Astha IT 2026
Manual Testing, Dev Tools, API Testing, Postman, Git, Python, API Automation, Selenium, Web Automation, JMeter
- Software Development & QA Internship Certificate – Business Automation 2024
- Mobile Game & Application Development – ICT Division, Bangladesh 2023
- [View All Certificates on Google Drive](#)

Leadership

Prothom Alo Bondhushava, NSTU Chapter

President (2024–25) | General Secretary (2023) | Treasurer (2022)

2021 – 2025

- Led 70+ member organization; managed events, communications, and budget across 3 consecutive leadership roles.
